# ABOUT US

Sunipure LDA is a dedicated team of professionals passionate about bringing the best of nature to the industry. Since our establishment in 2019, we have been at the forefront of frozen fruit pulp and puree production in Portugal. We focus on delivering high-quality, pasteurized fruit purees and frozen fruit products that meet the needs of manufacturers and foodservice providers. Our commitment to quality is unwavering, with a meticulous process that ensures all our products maintain their natural goodness and flavor. At Sunipure, we believe in sustainable sourcing, working closely with trusted growers to ensure that only the finest fruits are used. Our range of products includes pasteurized fruit purees in large drums, frozen fruit pulps in small packs, and bulk-packed frozen fruits.
